

TRL Krosaki Receives Golden Peacock Award Twice in A Row

TRL Krosaki Refractories Limited received the coveted “Golden Peacock Award for Occupational Health and Safety” for the year 2013 from Institute of Directors (IOD), New Delhi. The company received this prestigious award consecutively twice in a row. It is worthwhile to mention that, the company had also received Golden Peacock Commendation Award for Environment Management in 2011.

Dr. A. K. Chattopadhyay, MD, TRL Krosaki received the award from Honourable Sri Manish Tiwari, Union Minister of State – Information and Broadcasting (Independent Charge), Government of India in a well attended function organized at Hotel The Ashok, Chanakyapuri, New Delhi on the 15th World Congress on Environment Management on July 19, 2013. Mr. Jiban Pattanaik, AGM (Operation Technology) accompanied Dr. Chattopadhyay while receiving the award. The award was adjudged by a high profile Jury under the Chairmanship of Justice P. N. Bhagwati, former Chief Justice of India and Member, UN Human Rights Commission.

The award is conferred on TRL Krosaki Refractories consecutively twice in a row in recognition of its commitment and continuous improvement in occupational health and

safety management. The company has won this award in the engineering category, competing with established players in the field.

TRL Krosaki emphasizes on the company's commitment to provide a safe and healthy work environment to the whole workforce including contract workmen. Concern for Safety, Health and Environment is ingrained in the company culture and measures are taken continuously to excel in safety standards and practices.

The Launching of Safety Excellence journey, Constitution of Apex Safety Committee under the Chairmanship of MD to oversee the progress in Safety and Health, In-house publications on Safety & Health, Regular Medical Checkup, Shop-floor Awareness Campaigns, Ergonomics and Occupational Health Classes are some of the measures taken recently to strengthen the company's Occupational Health and Safety measures. Being the first Integrated Management Services (IMS) certified Refractories Company, the company Endeavour to continuously exceed statutory norms in terms of environment, occupational health and safety.
